O R D E R

Leave to amend, as prayed for, is granted.

We are informed at the Bar that the Election Commission or its representative(s) had no occasion to watch the movie or a substantial part of it and the impugned order has been passed upon viewing the short duration trailer. Without commenting on merits of the order of the Election Commission, at this stage, we would like the Election Commission or its authorised representative to view the movie and thereafter consider the matter of public screening

of the movie once again.

We request the Election Commission to finalise its decision in terms of the above by Friday (19.04.2019) and inform the result to the Court in a sealed cover.

If the petitioner(s) prays for an audience before the Election Commission or its authorised representative, the Election Commission would consider the same and grant such an audience.

The matter will be listed on 22.04.2019.
